	<ul style="list-style-type: none"> ▪ Sheriff Rudolph added that the Maintenance people do a tremendous job. Have to include CSEA. HR Director Farberman shared that C. Woodworth is not in favor because it takes his employees away the mission of facility maintenance. ▪ Not one perfect solution. ▪ Warsaw PD made a proposal, which turned out to be cost prohibitive. ▪ WCCH CEO, J. McTernan to be included in these discussions. ▪ Security estimate. ▪ Supervisor Roche, T/Eagle offered that, in his former life he didn’t want everyone trained. Has to be a certain individual with special talents to de-escalate a situation. ▪ Explore who wants to do the job. ▪ Supervisor Roberts, T/Genesee Falls, offered a financial incentive to use Maintenance Staff because they are already there. ▪ Supervisor Granger, T/Gainesville suggested a team be formed. Approval to get on the team. Trained PMCS employees to cover every shift. ▪ Chairman Davis suggested it be something Supervisors Berwanger and Kehl take back to the Board of Managers for further discussion and report back. ▪ Sheriff Rudolph added that deputies have worn body cameras longer than most. He watches footage and sees compassion and restraint by the officers on a regular basis. Recent events in Buffalo and Rochester contribute to poor morale. For example, Lynn Hall didn’t have a mark on him after his attack on the Sheriff. That’s just how we do business... In conclusion, Sheriff Rudolph will work with M. Adamczak to put a proposal together.

Some towns are furloughing highway employees as a result... Supervisor Berwanger questioned the contract between the county and towns. That’s the difference between a legislature and Board of Supervisors. Several former Supervisors advised never to go to a Legislature!! The worst hit to Wyoming County Towns is the 20% reduction in CHIPs funding. Chairman Davis talked about Wyoming County in the Finger Lakes Region, changing dashboard. 3 day rolling average to a 7 day rolling average – looks good. 48 positive cases to 42 over 7 day rolling average. Looking at day to day testing and viral spread. Looking good to move into phase 3 Friday morning. Talked about utilizing outside dining with indoor and hopefully getting close to 100% with the combination. Anticipate OTB reopening in phase 4. Supervisor May, T/Orangeville will start to open food services soon. Supervisor May, T/Orangeville will reach out to H. Wojtaszek, President & CEO and report back. However, workshops will be by webinar. The 2021 winter conference will not be held at the Desmond due to extensive renovations. It will be held at the Hilton/Downtown Albany. Supervisor Becker, T/Sheldon has been hitting up folks to work election. Board of Elections asking what political party they are affiliated with. He disagrees with the practice. However, it was explained that because there are two major political parties within the county, per election law, the question is allowable.</i></p>
