Cindy –

I can't sufficiently express my appreciation for the quality (and quantity) of data regarding Jabez Rudd and Sylvia Butler (Rudd) you discovered in your archives! Until receiving these results, I had pretty much written off membership in the Society of Mayflower Descendants, but now, membership is achievable. It also, however, underscores the difficulty for amateur genealogists -- like myself - to secure quality citations, without the help of professionals like you!

So again, thank you very much.

I hope you have nice holidays.

Dennis.

AMENDMENT AND CLARIFICATION

Despite the County's best effort to clarify the guidelines for benefits and conditions of employment governing Schedule C employees, it is understood that questions will arise concerning interpretation of the Schedule C Employee Handbook/Benefits Manual and refinements may need to be made from time to time.

As changes or interpretations are made to this manual of guidelines by the Human Resource Committee they will be registered as an addendum and forwarded to the WCCH Board of Managers and to each Senior Manager for distribution to all Schedule C employees.
