We have one at each of the following locations: Attica Village Office, Arcade Village Office, Perry Village Office, and our local DMV office here in Warsaw, as well as at the Wyoming County Community Hospital, Department of Social Services, Silver Lake Marina and the County Clerk's Office. By having these drop boxes, we invite and encourage everyone to utilize them. It is convenient for our residents to place their renewals in these boxes, no stamp needed, and we will be picking them up a couple times a week to process the transactions. Please drop your signed and completed license, vehicle, trailer, snowmobiles, and boat registrations in the drop box. Mail renewal applications for trailers can be used for up to nine months after expiration but the full amount will be charged. Please visit our office in Warsaw to have your trailer renewal prorated after December 31st. Payment for your drop box renewals may be made with a check or money order payable to Wyoming County Clerk. Please do not use the drop box for license plates drop offs. Your renewals will be promptly processed and mailed back to you.

BY MAIL: If you opt to use the mail, please make sure it is addressed to the below address and if not please change the address on the envelope you receive and be sure to cross out the bar code that is above your name and mail to:

Department of Motor Vehicles

6 Perry Avenue

Warsaw, NY 14569

If our Local DMV office processes the transaction, the County is able to keep 12.7% of the revenue from each transaction. It will ensure that Wyoming County, rather than NYS, receives the 12.7% of the transaction fee. By doing this, we hope to keep the much needed revenue in our County.

RHONDA PIERCE, WYOMING COUNTY CLERK
