**INFORMATION RELEASE**

**April 11, 2020**

On behalf of the Wyoming County Board of Supervisors and the Emergency Operations Center (EOC), I would like to thank our **Heroes**, the healthcare professionals. Doctors, Nurses and Healthcare Personnel are working tirelessly to take care of patients and citizens of Wyoming County. They are all risking their lives for us as the coronavirus spreads. Whether by the bedsides of our residents, serving meals or sanitizing rooms, they have risen to the call for care. Your dedication is truly appreciated, **THANK YOU!!!**
