PRESS RELEASE
April 17, 2020 @ 2:00 p.m.

Chairman of the Wyoming County Board of Supervisors, Jerry L. Davis, reports: As of earlier today, Friday, April 17, the Wyoming County Health Department reports forty-four (44) lab-confirmed positive cases of COVID-19 among Wyoming County residents. This is unchanged from Thursday, April 16.

Quadrant	Positive Cases	Recoveries	Deaths
Northwest (Attica, Bennington, Orangeville, Sheldon)	11	5	
Southwest (Arcade, Eagle, Java, Wethersfield)	8	3	
Southeast (Castile, Gainesville, Genesee Falls, Pike)	10	6	
Northeast (Covington, Middlebury, Perry, Warsaw)	15	10	3
TOTAL	44	24	3

Working cooperatively with Genesee and Orleans Counties, Wyoming County information has been added to a regional three-county *COVID-19 Case Tracker Map*. From Dr. Greg Collins, Wyoming County Commissioner of Health, “This is an easy-to-access, public facing online tool that puts information directly in the hands of residents and provides a snapshot of Wyoming County COVID-19 activity in a regional context.”

The Wyoming County Emergency Operation Center will be discontinuing the press release as a means to distribute daily COVID-19 statistics. These statistics will be available on the Wyoming County homepage at <http://www.wyomingco.net/> under the “County Quick Links” click on the *Genesee Orleans Wyoming County Health Departments COVID-19 Case Tracker*. Once you are on the Case Tracker map, go to the right side drop down menu and select Wyoming for the most up to date local information. We are transitioning to this as it offers more information and a visual representation of positive COVID-19 cases for the entire region. These numbers are updated daily at approximately 4 pm with data provided by the Wyoming County Health Department.

To obtain updated information and guidance, during the COVID-19 pandemic please contact the **Wyoming County Response Line at 786-8911**, Monday through Friday, from 8am to 5pm, or check the county website at: <http://www.wyomingco.net/> and under the County Quick Links click on COVID -19 information.
