PRESS RELEASE
May 22, 2020 @ 2:00 p.m.

Chairman of the Wyoming County Board of Supervisors, Jerry L. Davis, offers the following:

New York State has partnered with Bloomberg Philanthropies, Johns Hopkins Bloomberg School of Public Health and Vital Strategies to create the NYS Contact Tracing Program, a nation-leading initiative to help slow the spread of COVID-19 and make it safer to begin to return to normal again.

Contact Tracers work with people who have tested positive for COVID-19 to identify people they have had contact with and let them know they may have been exposed to the disease.

If you get a call from “NYS Contact Tracing” (518-387-9993), PLEASE answer the phone. Answering the phone will keep your loved ones and community safe.
