## INSTRUCTIONS:

1. Water sample collection bottles and the corresponding paperwork will be available at WCHD front reception area next to sample drop off refrigerator.
2. Courier pick times are currently Tuesday 11:00 AM and Thursday 10:00 AM. Samples should be at WCHD at least 30 minutes prior. If courier days and/or times change you will be notified.
3. Please contact WCHD if special sampling bottles are needed.
4. Sample results will be sent to water supply from WCHD.
5. Special arrangements must be made for wastewater and/or other non-potable samples.
6. Questions please call (585)786-8894.
