The work calls for the exercise of independent judgement in the application of prescribed procedures and methods to routine cases. For the most part, work is performed under general supervision. Employees in this class may be assigned to work on a word processor or personal computer. An employee in this class may be required to undergo training to develop and/or increase skills in the operation of equipment. 3. Punctuation - The punctuation questions will be designed to test the candidate's knowledge of appropriate marks and their correct placement in sentences.
4. Keyboarding Practices - These questions are designed to test the candidates knowledge of preferred practices in areas such as, but not limited to, capitalization, hyphenation, spacing, word division, tabulation and proofreading.
5. Office Record Keeping - These questions are designed to evaluate the candidates ability to perform common office record-keeping tasks. The test consists of two or more "sets" of questions, each set concerning a different problem. A STUDY GUIDE IS AVAILABLE AT OUR OFFICE OR ON OUR WEB SITE.

There will be a written test and a qualifying keyboard performance test at 40 words per minute. The performance test will be given after completion of the written exam, on the same day. You must pass the performance test to be considered for appointment. Only your score on the written test will be considered in computing your final score.

Candidates who receive a passing score on the written test must also pass the performance test in typing.

Performance Test: Candidates who receive a passing score on the written test must also qualify on the typing performance test. You must pass both the written and performance test to be considered for appointment. Since the performance test is qualifying (pass/fail), if you pass the performance test your final score for the exam will be the score that you achieve on the written test.

The performance test is a test of keying speed and accuracy. It utilizes a standard keyboard and is given on computers. The computer program requires no prior knowledge of software. A written description of the simple software will be provided at the test site.

The test is five minutes long and is preceded by a three-minute practice session. The text passage is printed in a test booklet. Candidates enter ("key" or "type") as much of that passage as they can during the time available.

In order to pass the test, candidates must enter the text at a rate of at least 40 words per minute, with at least 96% accuracy. For example, if a candidate enters the text at 40 words a minute, the maximum allowable number of errors is 7. (Note: A word is defined as five characters. The rating formula divides the total number of characters entered by five to determine the number of words entered.)

If you wish to use a mechanical copyholder, you may bring one as long as it does not use any kind of a magnet. Copyholders with any kind of a magnet or magnetic device are prohibited.

Typing Performance Waiver Statements:

- A. If a candidate has already passed a 40 words per minute corrected or higher typing test administered by Wyoming County Civil Service, NYS Division of Employment, NYS Civil Service or BOCES within 2 years of the written test, the typing performance may be waived. A candidate requesting a waiver must submit verifiable evidence of qualifying. Information submitted must contain the title and location of the typing test, the test date and passing speed.

- B. If a candidate is employed by Wyoming County, or a public agency in a jurisdiction served by the Civil Service Commission and presently holds a permanent competitive or permanent contingent status in a title for which passing of a performance test in typing at 40 words per minute corrected or higher was required for appointment, the performance test may be waived. Candidates requesting a waiver based on present employment must complete a Waiver Request Form and include copies of support documents.

Performance Retest Policy: Candidates have two (2) consecutive typing performances available. If a candidate qualifies on the 1st performance, they do NOT need to be tested further. If the candidate does NOT appear for a scheduled performance, the candidate will forfeit and automatically FAIL. If you do NOT pass the performance portion, you must apply for and pass a written examination requiring a performance in order to be eligible to take another performance.

PLEASE NOTE: You must pass the written and the performance test in order to be considered for appointment.

Unless otherwise notified, candidates are recommended to use quiet, hand-held, solar or battery powered calculators. Devices with typewriter keyboards, spell checkers, personal digital assistants, address books, language translators, dictionaries, or any similar devices are prohibited.

SABBATH OBSERVERS/DISABLED CANDIDATES/MILITARY MEMBERS: If special arrangements for testing are required, indicate this on your application. Any member of the Armed Forces of the United States of America, who having duly filed an application to compete in a scheduled competitive examination for Civil Service employment by the State of New York or any of its subdivisions and who due to active military duty is deprived of the opportunity to compete in such examination shall be provided with an opportunity to compete, under terms and conditions deemed appropriate by the State Department of Civil Service or Municipal Commission, by way of a special military make-up examination.
