Return the F.A.V.O.R.
(Find & Assist Veterans of Records)

We are proud to announce that we are sponsoring the "RETURN THE F.A.V.O.R" Discount Program that honors our Wyoming County Veterans as well as many of our local merchants. Veterans that record their DD214s at the Wyoming County Clerk's Office can request to be issued a Wyoming County Veteran ID card. This Veteran's ID card enables them to take advantage of discounts offered by local merchants.

This program is a way for our County to recognize and honor our Veterans for the service and sacrifices they have made.

Involvement in the program will also be beneficial to businesses that will realize increased traffic and sales. Participating Merchants will complete a Merchant's Discount Application with the County Clerk's Office indicating their discount offered to participating Veterans and they will receive a participation poster for display at their place of business.

I look forward to any and all participation in this worthwhile program. Please do not hesitate to contact me at (585) 786-8810 if I can be of assistance. Any merchants interested in this program, please click on the Merchant application form. If any merchant has any questions regarding how to participate in this program, please contact me.

Thank-you!

Rhonda Pierce Wyoming County Clerk
