**Chairman of the Wyoming County Board of Supervisors, Jerry L. Davis**, would like to remind residents to be vigilant about safety measures as we're out this weekend enjoying the beautiful weather and other activities of the change in Section 201 and 206 of the Public Health Law on July 9, 2020 and Executive Order 202.14, Title 10 (Health) of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended by renaming Part 66 and adding a new Subpart 66-3.

One of the most significant parts of the regulation (Section 66-3.2) is that it imposes an explicit, enforceable requirement on all building owners and operators related to the wearing of masks:

Business operators and building owners, and those authorized on their behalf shall deny admittance to any person who fails to comply with this section [requiring face-coverings] and shall require or compel such persons' removal. Provided, however, that this regulation shall be applied in a manner consistent with the federal American with Disabilities Act, New York State or New York City Human Rights Law, and any other applicable provision of law.

The rule now specifies that any individual or business violating any provision of this rule is subject to civil penalty of \$1,000 per violation up to \$10,000.
