If you have travelled out of NY to a state covered by the Travel Advisory...

(found at <https://coronavirus.health.ny.gov/covid-19-travel-advisory>)

- In response to increased rates of COVID-19 transmission in certain states within the US, and to protect New York's successful containment of COVID-19, the State has joined with New Jersey and Connecticut in jointly issuing a travel advisory for anyone returning from travel to states that have a significant degree of community-wide spread of COVID-19.
- All out-of-state travelers from designated states must complete the form upon entering New York. Travelers who leave the airport without completing the form will be subject to a \$2,000 fine and may be brought to a hearing and ordered to complete mandatory quarantine. Travelers coming to New York from designated states through other means of transport, including trains and cars, must fill out the form online (found at <https://forms.ny.gov/s3/Welcome-to-New-York-State-Traveler-Health-Form>). Travelers from affected states are subject to a precautionary quarantine period and will be contacted by the NYS Contact Tracing Program or the Wyoming County Health Department.
- To file a report of an individual failing to adhere to the quarantine pursuant to the travel advisory, please call 1-833-789-0470 or visit <https://mylicense.custhelp.com/app/ask> to file a complaint online.
- If you are a Wyoming County resident impacted by the Travel Advisory, contact your employer to review "essential employee" status and pay during the period of quarantine.

If you are concerned about a business in Wyoming County not following face covering or social distance requirements:

- Visit <https://forward.ny.gov/new-york-state-pause> for current information on requirements.
- If you are concerned about your own employer, contact the NYS Department of Labor at <https://forms.ny.gov/s3/Department-of-Labor-COVID-19-Complaint-Form>
