Wyoming County Board of Supervisors Chairwoman, Rebecca J. Ryan announced as of Monday, January 4, 2021, the Wyoming County Health Department reports one thousand two hundred twenty-nine (1,229) lab-confirmed positive community cases of COVID-19 among Wyoming County residents. This is an increase of ninety-five (95) cases from the last reported increase on Thursday, December 31, 2020.

From the New York State Department of Health: The first New Yorkers to receive the COVID-19 vaccine as part of the New York State Vaccination Plan in Phase 1 will be high-risk hospital workers, nursing home residents, nursing home staff, EMS workers, certain long-term and congregate care residents and staff, other health care workers, coroners, funeral home workers and medical examiners. Visit the NYS Department of Health site for more information at <https://covid19vaccine.health.ny.gov/>. More information will be released next week for Wyoming County priority populations as guidance is issued by New York State.
