**PRESS RELEASE  
March 11, 2021**

**From the Wyoming County Department of Health:**

**NEW:** The NYS Department of Health released a “*Health Advisory: Quarantine for Community Persons Exposed to COVID-19*”. The update describes how to factor in a person’s vaccination status following a community exposure to COVID-19. In summary, consistent with recent CDC guidance, asymptomatic individuals who have been fully vaccinated against COVID-19 do not need to quarantine following exposure during the first 3 months after full vaccination, subject to certain criteria. View the full Health Advisory [HERE](#).

**NEW:** The NYS Department of Health released “*Interim Guidance for Quarantine Restrictions on Travelers Arriving in New York State Following Out of State Travel*”. The update describes how to determine quarantine status following travel out of New York State, factoring in a person’s vaccination status and/or previous infection with COVID-19 in the last 3 months, subject to certain criteria. View the updated COVID-19 Travel Advisory [HERE](#). Governor Cuomo announced that domestic travelers will no longer be required to quarantine after entering New York from another state or U.S. Territory starting April 1, 2021.
