STATE OF EMERGENCY DECLARATION

A State of Emergency is hereby declared in Wyoming County, effective immediately upon execution, December 01, 2021.

This State of Emergency has been declared due to the ongoing Coronavirus-19 (COVID-19), which has resulted in an increase in confirmed cases of residents throughout the county and has placed significant strains on the county health system.

As the Chairwoman of the Wyoming County Board of Supervisors, I, Rebecca J. Ryan, Chairman, exercise the authority given me under Article 2-B, Section 24 of the New York State Executive Law, for the purpose of procuring goods and services, and to render all required and available assistance to the Wyoming County Community Health System, County Health Department, municipalities and school districts that is vital to the security, well-being, and health and safety of the citizens of Wyoming County.

Local emergency orders may be enacted subsequent to this declaration to protect life and property or to bring the emergency situation under control.

This State of Emergency will remain in effect for a period not to exceed thirty days or until rescinded, whichever occurs first. This State of Emergency may be extended for additional periods not to exceed thirty days.
